

Agreement of Cooperation in the framework of the assisted voluntary return and reintegration programme of the Swiss State Secretariat for Migration

As a beneficiary of the assisted voluntary return and reintegration programme, you are allowed to receive reintegration assistance as stated in the document «Confirmation of Return Assistance» that you will receive prior to departure.

The reintegration grant is provided by the Swiss State Secretariat for Migration (SEM) and the payments are administered by the International Organisation for Migration (IOM) or its partner organization the Hungarian Baptist Aid (HBAid).

1. I, the undersigned, _____, understand that I should work together with IOM and/or its partner organization HBAid in order to have access to the reintegration grant and in order to implement a reintegration project.
2. I understand that cooperation with IOM and/or HBAid includes the elaboration of an action plan with a social worker with the goal of supporting me with regard to a sustainable reintegration according to my needs. The various points set out in the action plan (i.e. attending regular meetings with HBAid or other service providers, attending courses, etc.) must be met by me in order to show my full cooperation in the reintegration process.
3. I understand that the absence of my cooperation with regard to the elaboration and the implementation of the action plan may result in the decision to suspend my access to the reintegration assistance granted through the programme at any time.
4. I understand that after three warnings, my access to the reintegration grant or parts of it may be revoked. This is a final decision in all respects and not subject to legal recourse.
5. I understand the contents of this agreement of cooperation after:
 - a. Having read the above clauses: **YES / NO**
