# RIAT – How does it work?

**MS** (Member State) = SEM / RBK-CVR
**PMO** (Project Management Office) = Frontex
**RP** (Reintegration partner) = IRARA, ETTC

## ROLES AND RESPONSIBILITIES

### Member States

- Ensure eligibility of TCNs
- Inform returnees about reintegration assistance and personal data processing
- Insert cases into RIAT and approve retroactive cases
- Verify and approve reintegration plans and final reports in RIAT

### Frontex

- Manages legal and financial commitments
- Ensures full operational engagement of MS
- Operates EURP Support Desk
- Checks and validates submitted cases, reintegration plans and final reports in RIAT
- Quality monitoring

### Reintegration Partners

- Ensure the delivery of high quality reintegration assistance
- If applicable (sub-) contract internal or external organizations to ensure the provision of reintegration assistance
- Submit retroactive cases, reintegration plans and final reports
